Members of Metro Centre Association of Realtors® are also members of New Jersey REALTORS® and the National Association of Realtors®.

The REALTOR® Association's purpose is to inform, assist and educate members to promote the real estate industry.

As a REALTOR® you understand how valuable you are to your clients and customers but have you taken time to understand how valuable your REALTOR® Association is to you?

The Associations at the local, state and national levels have multiple benefits and services exclusively for REALTOR® members. See the inside of this brochure to read about the benefits.

A real estate agent is a REALTOR® when he or she becomes a member of the National Association of REALTORS®, *The Voice for Real Estate*®, the world's largest professional association. The term "REALTOR®" is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS® and abides by its strict Code of Ethics.
