**MEMBERSHIP
and the THREE WAY AGREEMENT**

Membership in a local association of REALTORS® automatically extends your membership to the state association and national association.

Members of **Metro Centre Association of REALTORS®** (South River, NJ) are also members of **New Jersey REALTORS®** (Trenton, NJ) and the **National Association of REALTORS®** (Chicago, IL and Washington, D.C.).

The REALTOR® Association's purpose is to inform, assist and educate members to promote the real estate industry.

As a REALTOR®, you understand how valuable you are to your clients and customers but have you taken time to understand how valuable your REALTOR® Association is to you?

The REALTOR® Associations at the local, state and national levels have numerous benefits and services exclusively for REALTOR® members. See the inside of this brochure to read about the benefits.

**EVERY REAL ESTATE LICENSE
is not a REALTOR®.**

A real estate agent is a REALTOR® when they become a member of the National Association of REALTORS®, *The Voice for Real Estate®*, America's largest professional trade association.

The term REALTOR® is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS® and abides by its strict Code of Ethics.
