**MEMBERSHIP
and the THREE WAY AGREEMENT**

Members of Metro Centre Association of Realtors® are also members of New Jersey REALTORS® and the National Association of Realtors®.

Membership in a local association of REALTORS® automatically extends your membership to the state association and national association.

The REALTOR® Association's purpose is to inform, assist and educate members to promote the real estate industry.

As a REALTOR®, you understand how valuable you are to your clients and customers but have you taken time to understand how valuable your REALTOR® Association is to you?

The Associations at the local, state and national levels have numerous benefits and services exclusively for REALTOR® members. See the inside of this brochure to read about the benefits.

**EVERY REAL ESTATE LICENSE
is not a REALTOR®.**

A real estate agent is a REALTOR® when they become a member of the National Association of REALTORS®, *The Voice for Real Estate®*, America's largest professional trade association.

The term REALTOR® is a registered collective membership mark that identifies a real estate professional who is a member of the National Association of REALTORS® and abides by its strict Code of Ethics.
